

## **Reaching the last mile**

### **Policy Asks from Odisha Vikash Conclave**

1. Portability of entitlements (Intra-state migrants, Pregnant woman etc).
2. Convert existing assets of people into an economic unit (MGNREGA and convergence).
3. Proper infrastructure: roads, health, education.
4. Flexibility to address the causes of vulnerable groups (Administrative discretion)
5. Incentivize the government officials in remote areas.
6. Promote food sovereignty as part of food security (MSP to Millets, NTFPs)
7. Recognize the divisions in society and formulate policies (We are not a just society; issues of discrimination)
8. Child labour free society
9. Behavioural change through NGOs and mass media: Self-monitoring on consumption and absorption
10. Accessibility: Address multiplicity of disabilities (Just not the ramps, but for visual impairment and hearing speaking impairment)
11. Capacity building of PRIs in planning and implementation: Institutionalize decentralized planning
12. Community audit
13. Use of technology to reduce drudgery (Tablet to the grassroots workers)
14. CSR: Issues of sustainability and respect for people's opinion
15. Sustainable development in place extortive development.
